GREEN DAYS FETE AND CRAFT FAIR

St Michael & All Angels presents the 49th Bedford Park Festival, which is one of London's best arts and community events. It was originally set up in 1967 to save Bedford Park from destruction by developers, as well as to foster a sense of community, celebrate

the arts and raise money for urgent repairs to St Michael & All Angels. We continue to uphold the same values today, whilst also raising money for charity and campaigning to protect the environment.

This year we will raise money for St Michael & All Angels; Msaada, which helps restore dignity to the forgotten victims of the Rwandan genocide; The Upper Room, who feed and support the community in need in West London and The Mulberry Centre in Isleworth, which provides information, advice and support to all those affected by cancer.

Next year will be the 50th Bedford Park Festival and it's not to be missed, so put the dates in your diary now! It will run from Friday 10 to Sunday 26 June 2016.
